D11/19/2016
Math 10330

Conclusion of Introduction

"Do This Week 1"

→ read
  → Error on this page in item (1) Change bring your completed diagnostic test part 3 to class on Wednesday (1/20).
  → look at item # 5
    * study skills: organization
    * study skills: Reducing stress and anxiety
    * study skills: Time management

* Professor Lacoste is not going to spend any time in class review old material. You have two options
  1. Watch videos on your own time
  2. In person review session.

Assigning part 3 and 4 of the Diagnostic Test:
  → Print part 3, complete the three questions and turn it in.
  → Part 4 has all the worksheets available to you in areas you need help in.
